

Dinosaur Poo Recipe

What will I need?

- 100g Milk chocolate
- 30g Margarine
- 2tbsps Golden syrup
- 150g Digestive biscuits

What do I do?

1. Crush the digestives into crumbs using a plastic bag and a rolling pin.
2. Break up the chocolate and melt over a low heat in a small saucepan (adults help here required), stirring with a wooden spoon.
3. Once melted, add the margarine and the golden syrup, do not let the mixture bubble. Take off the heat and add the biscuit crumbs, mix thoroughly.
4. Line a baking tray with baking paper.
5. With your hands scoop up the mixture, roll into poop shapes and place on to the baking tray.
6. Once all the mixture has been used up, place the baking tray in the fridge for an hour.
7. Enjoy! (Don't forget to take a picture and share it on social media, tagging @Colmuseums on Twitter or @ColchesterCastle on facebook)
