

Cheat's Stain Glass

This idea comes from our friends at the Colchester Visitor Information Centre:

What will I need?

- Tape
- Marker pens
- Scissors
- Whatever materials you have at home, for example:
 - Coloured tissue paper
 - Cling film
 - Greaseproof paper
 - Washed clear plastic food packaging
 - Carrier bags
 - Sweet wrappers

What do I do?

1. Cut your materials into the required shapes and join them together using Sellotape. You can always add extra details using marker pens and, if you have any, tape that isn't see-through.
2. Hang your masterpiece up against a window so the light can shine through and bring it to life!
3. Don't forget to take a picture and share it on social media, tagging @Colmuseums on Twitter or @ColchesterCastle on facebook, and adding #StainedGlassSunday.

Top Tip!

You might want to draw your idea on a piece of paper first so you have a plan to follow!
